## SHKF named “Manpower Developer” by ERB

**Hong Kong, 25 May 2016** – Sun Hung Kai Financial (“SHKF”) has recently been awarded “Manpower Developer” by the Employees Retraining Board (ERB) in recognition of its steadfast commitment and outstanding achievements in manpower training and development, and its contributions to the promotion of a learning culture in the workplace.

SHKF believes that continued manpower training and development is important to both its talents and the company especially in this ever-changing and increasingly complex financial industry. This award is attuned with the Good MPF Employer Award from the Mandatory Provident Fund Schemes Authority, which SHKF received late last year, as a further proof that the company has distinguished itself as an employer of choice by creating a great working environment for its people.
